Friday 22<sup>nd</sup> March

**Easter Card and Easter Egg Competition Winners!**

**Attendance:** Our class with the highest attendance last week was **Year 6 with an amazing 97.1%**! Congratulations and well done. The attendance trophy was awarded to them in our celebration assembly.

**Coombs Easter Competition:** We had great fun guessing how many mini eggs there were in the jar. Many thanks to Coombs for setting up their stall at parents evening so that parents could ask them questions about school dinners. A massive well done to Noah who was the first to guess correctly and won the large Easter Egg. There were 55 mini eggs in the jar!

**Water in drinking bottles:** We know that drinking water and being well hydrated improves mood, memory and attention in children. The NHS advise that *'The best drinks to give children are water and milk. Children should avoid sugary fizzy drinks, squash and juice drinks completely. Children who drink a lot of sugary drinks are more likely to become overweight. The added sugar in these drinks can also damage teeth.'* We ask that water bottles are filled with water for pupils to drink at school.
