Friday 19th April

The Cedar Mews Care Home would like to thank us for the lovely Easter cards that they received over the Easter break. The residents were super eggcited! (see Twitter -x)

Attendance: Our class with the highest attendance last week was **Year 6 with an amazing 97.2%**! Congratulations and well done. The attendance trophy was awarded to them in our celebration assembly.

Reading Raffle: We are introducing a new reading raffle this week. All children who read 3 times a week at home will have their name entered into a reading raffle. The lucky winners will win a book as a reward. This will be awarded in our Friday celebration assembly. Prizes will be awarded in 4 categories: EYFS, Y1/2, Y3/4, Y5/6. This initiative is to encourage pupils to read more at home. Research evidence shows that reading regularly has the greatest impact on academic progress. Please support your child by reading with them at home and ensuring that their reading record is filled in and signed.

Congestion on Path into Playground: Thank you for using the one-way system to walk around the school building when dropping off and picking up your children. Some parents had complained that having adults walk back along the path was causing congestion. The congestion has eased. We have put some signs up on the fence to politely request that all parents continue to do this, especially during the busiest times.

Fund Raising: We raised a fantastic £230.30 from our Easter Raffle. 7 lucky families won a hamper to enjoy! Thank you again for all your donations. Our Curriculum Ambassadors will decide how we spend the money in due course. We will let you know of any decisions that are made. With your generous donations, we also raised £119 for Red Nose Day!
